You simply rock.

Thanks Diane

Great. Let's do 10:00am on Thursday July 30th.

Since you're a native I trust you can manage campus. The environmental and sustainability studies suite is 3932 Wood Hall. Across the hall from biology and chemistry. Best visitor parking would be in front of sangren/bernhard. I'll get you a pass though and you could just park wherever you can find and let me know.

Thanks, Denise

Hi Diane,

I can meet anytime next Thursday the 30th.

Let's schedule around Sarah's other appointment. Other than that, whatever is most convenient for you.

Denise

Whatever works with Denise – I will accommodate it!
 I don't think you need to change your appointment...

Hi Diane,

I could meet on Thursday but would need to nail down a time pretty quickly, as I already have something schedule from 2:00 - 3:00 (so more like 1:30 - 3:30, including travel time). And if I'm going to change that appointment, want to do so right away. Otherwise, I'm free all day.

Sarah

Hi Denise and Sarah,

I was wondering if I could set up a time with you in Kalamazoo next Thursday? I'll be on my way back from Chicago and thought we could meet. Any times work for the both of you?

Subject: Follow up from today's discussion

Hello Michael,

Thank you for continuing to reach out; I think our phone discussion today was extremely productive.

As discussed, please find the attached document with Sarah and my suggestions for frequently asked questions that were either lacking or not specifically addressed in past documents. We look forward to assisting Diane in any capacity in moving forward with the best public information tool.

Best, Denise
